MSO 365 SECURITY

Discover ways Securi-Sync adds security to your file management system and collaboration efforts! (Also identified as Shar-Sync)

Dorothy Davis

SOUTHEASTERN BUSINESS SOLUTIONS

ADMINISTRATION CONTROL

Administrative control over users, devices, files, and sharing events.

WORRY-FREE FILE SHARING

Easy, secure file sharing and collaboration inside and outside the company.

DOWNTIME PREVENTION

Mass restore to easily recover from data loss events.

FILE COLLABORATION

Co-edit files in real-time with other collaborators using Office Online.

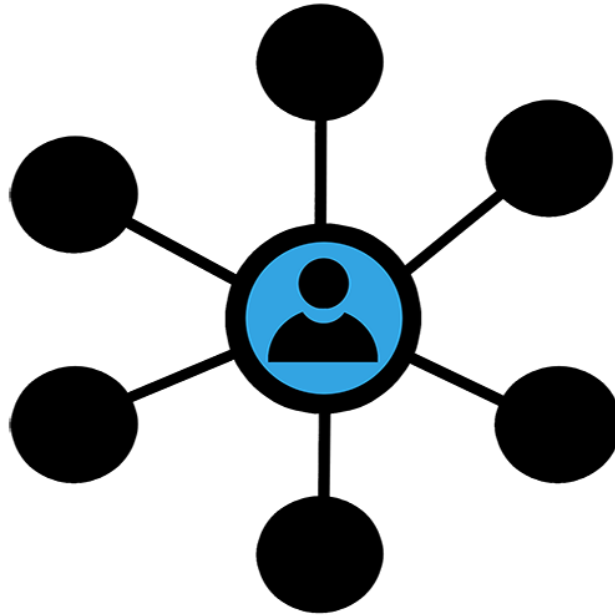

TRUE PEACE OF MIND

Preserve data with backup and retention policies, preventing the permanent deletion of files.

DATA SAFETY AND SECURITY

Real-time backup of files - including files on the Desktop and My Documents.
